Dear Mr. Rom:

As of November 15, 2021, Jonathan Johnson, Katie Buchanan, Mike Eckert, Tucker Mackie, Wes Haber, Lindsay Whelan, Joe Brown, Sarah Sandy, Alyssa Willson and Michelle Rigoni (the "Special District Practice Group") will be withdrawing as attorneys from Hopping Green & Sams, P.A. ("HGS") and will be joining Kutak Rock LLP ("Kutak"). The members of the Special District Practice Group have provided services in connection with HGS's representation of the Client on the above referenced matter(s) (the "Client Matters").

In the coming months, HGS will no longer be providing legal services. Kutak is prepared to continue as the Client's legal counsel with respect to the Client Matters; however, it is the Client's choice as to who should serve as its legal counsel, and whether the Client Matters and all electronic files and active and closed hardcopy files (collectively, the "Files") should be transferred to Kutak.

Please select one of the following alternatives; however, please be advised that as of November 15, 2021, HGS will no longer be competent to provide legal services to the Client; accordingly, representation by HGS will cease on November 15, 2021, whether or not the Client makes an election below:

1. ALTERNATIVE #1. The Client asks that the Client Matters be transferred with the Special District Practice Group to their new firm, Kutak. Please transfer all Files relating to the Client Matters. HGS's legal representation of the Client will cease on the date of HGS's receipt of their written notice. After that date, the Special District Practice Group and their new firm, Kutak, will be responsible for legal representation of the Client in the Client Matters. To the extent that HGS is holding any trust funds or other property of the Client, HGS is further instructed to transfer such funds and/or property to Kutak.

10/15/2021

**(Please sign if you want Alternative #1;
otherwise, do not sign on this line.)**

[DATE]

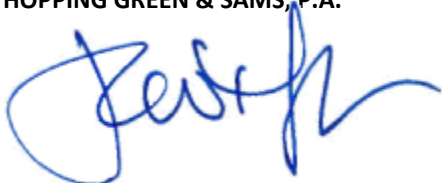

2. ALTERNATIVE #2. If you do not want Alternative #1, please advise us what HGS should do regarding the Client Matters and all Files relating to the Client Matters by December 1, 2021. HGS's legal representation of the Client will cease on November 15, 2021. If HGS does not receive a response by December 1, 2021, that will confirm HGS's understanding that all Files are not needed or desired and HGS will shred them.

(Please sign here if you have [DATE]
given instructions under Alternative
#2; otherwise do not sign on this line.)

After you have completed and signed this form, please send a copy via electronic mail to JasonM@hgslaw.com, MarkS@hgslaw.com, TuckerM@hgslaw.com, and KimH@hgslaw.com.

Immediately following the landowners' meeting there will be convened a meeting of the Board for the purpose of considering certain matters of the Board to include election of certain District officers, and other such business which may properly come before the Board.

DATE: November 1, 2022
TIME: 11:00 AM
PLACE: ZNS Engineering
1023 Manatee Avenue W. (7th Floor)
Bradenton, Florida 34205

Each landowner may vote in person or by written proxy. Proxy forms may be obtained upon request at the office of the District Manager, Wrathell Hunt & Associates, LLC, located at 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431, Ph: (877) 276-0889 ("**District Manager's Office**"). At said meeting each landowner or his or her proxy shall be entitled to nominate persons for the position of Supervisor and cast one vote per acre of land, or fractional portion thereof, owned by him or her and located within the District for each person to be elected to the position of Supervisor. A fraction of an acre shall be treated as one acre, entitling the landowner to one vote with respect thereto. Platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots shall not be aggregated for determining the number of voting units held by a landowner or a landowner's proxy. At the landowners' meeting the landowners shall select a person to serve as the meeting chair and who shall conduct the meeting.

The landowners' meeting and the Board meeting are open to the public and will be conducted in accordance with the provisions of Florida law. One or both of the meetings may be continued to a date, time, and place to be specified on the record at such meeting. A copy of the agenda for these meetings may be obtained from the District Manager's Office. There may be an occasion where one or more supervisors will participate by telephone.

Any person requiring special accommodations to participate in these meetings is asked to contact the District Manager's Office, at least 48 hours before the hearing. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

A person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that such person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

FOR THE ELECTION OF SUPERVISORS**

DATE OF LANDOWNERS' MEETING: **Tuesday, November 1, 2022**

TIME: **11:00 AM**

LOCATION: **ZNS Engineering
1023 Manatee Avenue W. (7th Floor)
Bradenton, Florida 34205**

Pursuant to Chapter 190, *Florida Statutes*, and after a Community Development District ("**District**") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("**Board**") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), *Florida Statutes*.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. Moreover, please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

This year, three (3) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The candidate receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

MEMORANDUM

To: District Manager

From: Hopping Green & Sams P.A.

RE: Prompt Payment Policies

As you may know, during the 2021 legislative session Part VII of Chapter 218, Florida Statutes (the “Local Government Prompt Payment Act”) was amended. This includes an increase from 1 percent to 2 percent as the floor interest rate on late payments for construction services and the addition of certain contractor rights in the event a local government entity fails to timely commence dispute resolution procedures in the event of an improper payment request or invoice. See §§ 218.735(9); 218.76(2)(b), Fla. Stat. As provided in Florida Chapter Laws 2021-124, these changes apply to contracts executed on or after July 1, 2021.

Accordingly, we advise that districts adopt new or updated Prompt Payment Policies and Procedures as attached hereto to reflect these changes. For districts that have previously adopted Prompt Payment Policies and Procedures prepared by Hopping, Green & Sams, this consists of the following changes as reflected in track-change format:

VII. Resolution of Disputes

* * *

B. Dispute Resolution Procedures

1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.
2. Within forty-five (45) days of receipt by the Agent and District Manager of the disputed, last-submitted payment request or invoice, the Agent and/or District Manager shall commence investigation of the dispute and render a final decision on the matter no later than sixty (60) days after the date on which the last-submitted payment request or invoice is Date Stamped.
3. With regard to contracts executed on or after July 1, 2021, if the District does not commence the dispute resolution procedure within the time provided herein, a Provider may give written notice via certified mail to the Agent, copying the District Manager, of the District’s failure to timely commence its dispute resolution procedure. If the District fails to commence the dispute resolution procedure within

four (4) business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within four (4) business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.

34. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.
45. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
56. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.
67. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

X. Late Payment Interest Charges

B. Related to Construction Services

Prompt Payment Policies

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74(4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

I. Purpose

In accordance with the Local Government Prompt Payment Act (Chapter 218, Part VII, *Florida Statutes*) (“PPA”), the purpose of the Evergreen Community Development District (“District”) Prompt Payment Policies and Procedures (“Policies & Procedures”) is to provide a specific policy to ensure timely payment to Vendors and Contractors (both hereinafter defined) providing goods and/or services to the District and ensure the timely receipt by the District of goods and/or services contemplated at the time of contracting. Please note that the PPA, like any statute or law, may be amended from time to time by legislative action. These Policies & Procedures are based on the statutory requirements as of the date identified on the cover page of this document. By this reference, as applicable statutory provisions subsequently change, these Policies & Procedures shall automatically be amended to incorporate the new requirements of law. These Policies & Procedures are adopted by the District to provide guidance in contracting matters. Failure by the District to comply with these Policies & Procedures shall not expand the rights or remedies of any Provider (hereinafter defined) against the District under the PPA. Nothing contained herein shall be interpreted as more restrictive on the District than what is provided for in the PPA.

II. Scope

These Policies & Procedures apply to all operations of the District, including Construction Services and Non-Construction Goods and Services, as applicable.

B. Payment Requests for Construction Services

1. Receipt of Proper Payment Request

The time at which payment is due for Construction Services from the District is as follows:

- a. If an Agent must approve the payment request before it is submitted to the District Manager, payment (whether full or partial) is due twenty-five (25) business days after the payment request is Date Stamped. The Provider may send the District an overdue notice. If the payment request is not rejected within four (4) business days after Date Stamp of the overdue notice, the payment request shall be deemed accepted, except for any portion of the payment request that is fraudulent, misleading or is the subject of dispute.

The agreement between the District and the Provider shall identify the Agent to which the Provider shall submit its payment request or shall be provided by the District through a separate written notice no later than ten (10) days after contract award or notice to proceed, whichever is later. Provider's submission of a payment request to the Agent shall be Date Stamped, which shall commence the time periods for payment or rejection of a payment request or invoice as provided in this section.

- b. If the District disputes a portion of a payment request, the undisputed portion shall be paid in a timely manner and in accordance with the due dates for payment as specified in this section.

VII. Resolution of Disputes

A. Dispute between the District and a Provider

If a dispute between the District and a Provider cannot be resolved following resubmission of a payment request by the Provider, the dispute must be resolved in accordance with the dispute resolution procedure prescribed in the construction contract, if any. In the absence of a prescribed procedure in the contract, the dispute must be resolved by the procedures specified below.

B. Dispute Resolution Procedures

- 1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.

If the District fails to commence the dispute resolution procedure within 4 business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within 4 business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.
4. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third-party purchases from amounts owed to the Provider.
5. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
6. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.

7. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third-party purchases from amounts owed to the Provider. If the costs of the third-party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, §218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74 (4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. Report of Interest

If the total amount of interest paid during the preceding fiscal year exceeds \$250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§218.78, Fla. Stat.).

MEMORANDUM

To: District Manager

From: Hopping Green & Sams P.A.

RE: Wastewater and Stormwater Needs Analysis

During the 2021 legislative session sections 403.9301 and 403.9302, Florida Statutes, were enacted requiring local governments to perform a 20-year needs analysis of certain wastewater and stormwater services or systems. Subject special districts are required to complete this analysis by June 30, 2022, and every five years thereafter. This memorandum answers basic questions regarding these new statutory provisions and requests that District Managers seek authorization for staff to solicit proposals to complete the required study as appropriate. We expect the services necessary to complete the required analysis to be exempt from competitive solicitation requirements as a planning or study activity below the statutory threshold of \$35,000. §§ 287.055, 287.017, Fla. Stat. Thus, as deemed appropriate and in the best interests of the subject district, districts may elect to utilize the services of existing engineering or other professionals currently under contract or may seek additional proposals for completion of the required needs analysis.

Which special districts are required to complete a needs analysis under section 403.9301 and 403.9302, Florida Statutes?

Special districts providing “wastewater services” or a “stormwater management program or stormwater management system” must complete a needs analysis.¹

What constitutes “wastewater services”?

Wastewater services means providing service to pipelines or conduits, pumping stations, and force mains and associated facilities used for collecting or conducting wastes to an ultimate point for treatment or disposal or to a plant or other works used for the purpose of treating, stabilizing, or holding wastewater principally from dwellings, business buildings, institutions, and sanitary wastewater or sewage treatment plants.

¹ Counties, municipalities, and special districts located in a “rural area of opportunity” may be exempt from the requirements of sections 403.9301 and 403.9302, Florida Statutes, if compliance would create an undue economic hardship. This includes:

- *Northwest Rural Area of Opportunity:* Calhoun, Franklin, Gadsden, Gulf, Holmes, Jackson, Liberty, Wakulla, and Washington counties, and the area within the city limits of Freeport and Walton County north of the Choctawhatchee Bay and intercoastal waterway.
- *South Central Rural Area of Opportunity:* DeSoto, Glades, Hardee, Hendry, Highlands, and Okeechobee counties, and the cities of Pahokee, Belle Glade, and South Bay (Palm Beach County), and Immokalee (Collier County).
- *North Central Rural Area of Opportunity:* Baker, Bradford, Columbia, Dixie, Gilchrist, Hamilton, Jefferson, Lafayette, Levy, Madison, Putnam, Suwannee, Taylor, and Union counties.

What constitutes “stormwater management program or stormwater management system”?

“Stormwater management program” means an institutional strategy for stormwater management, including urban, agricultural, and other stormwater. “Stormwater Management System” means a system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use, or reuse water to prevent or reduce flooding, overdrainage, environmental degradation and water pollution or otherwise affect the quantity and quality of discharges from the system.

What must the needs analysis for these services or systems include?

- A detailed description of associated facilities;
- The number of current and projected residents served calculated in 5-year increments;
- The current and projected service area;
- The current and projected cost of providing services calculated in 5-year increments;
- The estimated remaining useful life of each facility or its major components;
- The most recent 5-year history of annual contributions to, expenditures from, and balances of any capital account for maintenance or expansion of any facility or its major components;
- The district’s plan to fund the maintenance or expansion of any facility or its major components. The plan must include historical and estimated future revenues and expenditures with an evaluation of how the district expects to close any projected funding gap.
- The Office of Economic and Demographic Research has [templates and other resources and guidance](#) under development on its website to assist in completion of this required analysis.

When must the needs analysis required be complete?

The 20-year needs analysis must be completed by June 30, 2022.

What happens to the needs analysis once it is complete?

The complete needs analysis and associated methodology and supporting data must be submitted to the county within which the largest portion of the subject district facilities are located. Each county must then compile all analyses submitted to it (from special districts, municipalities, and the county itself) into a single document that must be filed with the Department of Environmental Protection and Office of Economic and Demographic Research by July 31, 2022 and every five years thereafter. The Office of Economic and Demographic research is required to evaluate the compiled documents for purposes of developing a statewide analysis that will include an analysis of the expenditures necessary to repair, replace, and expand water-related infrastructure.
